

MENU

Dear guests,

We welcome you to our Café Bistro NOÝ. We have been running this restaurant as a family business since 2020. Our philosophy is to offer you freshly prepared dishes made from regional products wherever possible. We cook exclusively using traditional German, Italian and Armenian recipes without additives.

The name of our café-bistro goes back to the Armenian name of Noah. Mount Ararat, where Noah landed with the Ark according to the bible, lies on the border between Armenia and Turkey. So our logo also shows an ark and the centuries old half-timbered building which now houses Café Bistro NOÝ. The door is open symbolising that everyone is welcome in our house.

As all dishes are freshly prepared for you, we kindly ask for your understanding for the respective preparation time.

We wish you a pleasant stay and bon appétit!

Many greetings
Yours family Sargsyan
